

READING FOR KINDNESS

Would you like to be the reason your favorite charity receives \$250? Would you like to win a \$10 dollar gift card to a bookstore? Would you like to read with your friends and get a prize for it? Do you like pizza parties? Well you can do all that with Wonderland BookSaver's new Reading for Kindness program.

1. Gather 1-4 friends together (but if you need to add more friends to the group than you can)
2. Choose educational fiction or non-fictional book(s)
3. Do a project based on the book(s) you read (example: One of the first books we read as a book club was Old Yeller. After we read Old Yeller we donated 177 pounds of dog food

to a local animal shelter.)

4. Make an exhibit, poem, play, speech, poster or another idea that you think of based on the community service project that you did.
5. The overall goal is enjoying reading and giving back to your community.
6. Winners will be based on effort put into the project. What will your team win??

7. Winners receive a gift card to a bookstore AND the opportunity to apply for a \$250 grant donated to a Connecticut charity of the your team's choice.
